In addition to the Retail Purchase Agreement/Retail Buyer's Order/Purchase Contract and Retail Installment Sale Contract and Security Agreement ("the Contract") you signed in connection with the purchase of the above-described vehicle ("Vehicle"), you understand that the Vehicle you are purchasing is equipped with a GPS Device ("Device"). The Device is designed to ensure that you make your payments on time in accordance with the Contract and to enable the Dealership or its assignees (Assignee/Creditor) to locate the Vehicle if you default on the terms of your Contract or if the Vehicle is stolen. The Device solely has GPS capabilities that allow the Dealership or its Assignee/Creditor to locate the Vehicle in order to repossess the Vehicle due to your default. The GPS capabilities may also allow for location of the Vehicle if it is ever stolen, and you report the theft of the Vehicle to the Dealership or its Assignee/Creditor. Buyer:

3. You understand that only the Dealership or its Assignee/Creditor or their authorized representatives or assignees are permitted to perform maintenance on the Device or any of its components. Should maintenance or repair be required, you agree to make the Vehicle available to the Dealership, its representatives, or assignees during their normal business hours. You understand that the Dealership or its Assignee/Creditor shall have full responsibility for the cost of all repairs to the Device.
